

COHOUSING OF GREATER BALTIMORE

A Cohousing Community for Proactive Adults

July 2024 Newsletter

We Made an Offer!

We've made such progress since our last newsletter! With the support of a small group of land investors, we've sent a letter of intent to purchase the site we've had our eyes on for the last six months! It's in a very walkable neighborhood (score: 87/100).

Our offer has been accepted by the property owner!

We have many more detailed activities in front of us, including a formal Purchase and Sale Agreement and more.

We would love for you to join us! Become an Explorer now!

It's an exciting time in Baltimore!

7 PM ET, Zoom

Get Proactive! Join us for an information session to learn more about our plans to establish the first cohousing community in the Baltimore area. While we are focused on active adults and our community will be designed to be accessible and support aging in place, anyone is welcome. You'll have the opportunity to learn about this growing movement of intentional communities, meet some of our community members and ask questions.

Orioles Win again!

Sue and Lorraine attended the "Hawaiian Shirt" night at Camden Yards on June 29.

It was a hot and humid night although not as hot as in recent days.

Getting there early ensured we each received the free Hawaiian shirt. The Texas Rangers fought back hard, but the Orioles Grand Slam in the 4th inning made a big difference helping the O's to win 6 to 5.

Join Us on Friday, August 23

Save the date! Plan to join us on Friday August 23, 2024 6PM - 9PM at the Rotunda for a Friday night neighborhood street festival on the plaza at The Rotunda featuring live music along with food, drinks, games and vendors. On Aug 23 we will hear Red Sammy. We'll provide more details about where to meet up in the August newsletter.
